# Sacramento Faust Branch Dues Form 2025/26

## **Purpose of the Faust Branch**

The Sacramento Faust Branch is an organization formed by members of the Anthroposophical Society in the greater Sacramento area to provide opportunities for members and friends to gather together to share in studies, lectures, festivals, and other Anthroposophically oriented activities to foster the mutual understanding and appreciation of the work of Rudolf Steiner and Anthroposophy and its related initiatives.

## **Qualifications**

Members of the Faust Branch must be members in good standing of the **Anthroposophical Society in America, or members at large of the General Anthroposophical Society.**

## **Obligations and Responsibilities**

As a condition of membership, individuals are required to pay annual dues for the support of the branch according to a schedule established by the Coordinating Committee. Initial membership entails obtaining a current dues form from a member of the coordinating committee and submitting the completed form to the treasurer.

## **Benefits**

Members are entitled to attend any meeting, event, workshop, conference, performance, festival or activity sponsored by the Branch. Attendance fees are based on the membership level selected on the dues form. Members are entitled to voice support or disagreement on any matter put before them by the Coordinating Committee.

## **Transparency**

Members are provided with schedules of events, and annual financial reports of branch activities. Legal documents and tax returns will be posted on the website or provided on request.

## **Branch Governance**

Although the Coordinating Committee selects its membership and successors, branch members may suggest names for consideration to the Committee, along with a description of the particular talents or contributions that the nominee could provide. Consideration is given based on the present size of the committee and the skills needed at the time, with a premium placed on the confidence of committee members that they can work harmoniously with a candidate.

## **Annual Meeting**

Once a year branch members will be invited to a meeting in which reports on the work of the past year and a preview of future possibilities will be presented. A treasurer's report will be given. Members will be asked to share their reflections on the previous year, suggest activities for the future and share other thoughts related to branch life.

## **Committees**

Branch members may be asked to serve on a standing committee or task force. The Coordinating Committee may occasionally conduct a survey to identify the interest of members in further serving the life of the branch and their particular experience.
