Laurie Portocarrero, is actor, storyteller, director and drama teacher. She brings a lifetime of training and experience in the healing arts. In an atmosphere of playfulness, wonder and safety, she will lead us through the second Mystery Drama. Even as our work together will illuminate depths in this drama, we will become more grounded in our bodies, expressive with our voices, and deepen our engagement with others.

Barbara Reynold writes:

Through Steiner's mystery dramas, "we are much more able to perceive and understand our own present incarnation and the soul/spiritual drama of our times."

Christian Community Consecration of the Human Being Services
